

Capstone Proposal Form

Emory University Sustainability Minor

Capstone proposals must be approved and signed by the Sustainability Graduate Fellow or DUS before students can register for IDS 391: Capstone Sustainability Seminar (typically, by Oct. 20). Form can be completed electronically.

Complete proposals will include:

- A well-defined research question or project description (minimum 300 words)
- Proposed methodology
- An email from capstone advisor, confirming advisor status
