FIELDWORK EXPERIENCE

June-September 1971: Fieldwork in Western Samoa under the supervision of Professor David M. Schneider, Department of Anthropology, University of Chicago. Supported by grants from National Science Foundation and the National Institute of Mental Health. Research Topics: Adoption practices in light of Western Samoan kinship categories; Incest prohibitions and brother-sister avoidance, both part of larger comparative studies within Oceania conducted by members of the Association for the Social Anthropology of Oceania.. (see publications)

September, 1972- August, 1974: Fieldwork undertaken in Western Samoa and in Auckland/Wellington, New Zealand as part of requirements leading to the degree of Ph.D., Department of Anthropology, The University of Chicago. This research was supervised by Professor Raymond Fogelson, Professor Marshall Sahlins, and Professor David M. Schneider. Topics investigated were political and legal systems, conflict and social control, and Samoan ethics. Research sponsored by the National Science Foundation Fellowship and Research Grants.

June, 1976: Field study in medical and cultural aspects of aging in Western Samoa sponsored by The Center for Field Research, Belmont, Massachusetts.

July-August, 1978: Brief trip to Western Samoa to revisit field site and to check-up on details remaining unclear after initial fieldwork.

June 2000-Present: Fieldwork in Covington, GA on Cycles of Life: Family Ritual. Funded by Alfred P. Sloan Foundation.

August, 2002, 2003, 2004 Documentary Film Project, Salem Camp Meeting, Salem, GA
