

ANTHROPOLOGY (STUDENTS ENTERING PRIOR TO 2013) COURSE OF STUDY – TRACKING SHEET

Name: _____

ID: _____

Cohort: _____

Advisor: _____

First Year (24 credits):

Students must take at least 5 graduate courses (790 or lower) of **at least 4 credits each**. In addition to these 5 regular courses, first year students may complete the first year requirement with **1 directed reading (797R)**. A student together with his or her advisor may petition the DGS to use a directed reading to partially satisfy the 5 graduate course requirement only when suitable regular classes are not available.

Department	Course #	Credits	Term	Faculty / Course Title
Total Credits (minimum 24):				

Second Year (24 credits):

Second year students will normally take at least 5 graduate courses (790 or lower) of **at least 4 credits each**. However, one of those 5 courses may be deferred to year 3. Directed readings (797R) count towards their required 24 annual credits but do not count as one of the required 5 graduate courses.

Department	Course #	Credits	Term	Faculty / Course Title
Total Credits (minimum 24):				

Third Year (24 credits)

24 credits according to the following criteria

- Courses at the 500 or 700 level / undergraduate courses 300 level or above
- Directed Study 797R / Advanced Research 798R

Department	Course #	Credits	Term	Faculty / Course Title
Total Credits (minimum 24):
