Come and join us for unique archaeological programmes focusing on the Archaeology of the Global North at a university with over 500 years of history. Our staff are leading scientists, researchers and fieldworkers in Northern Europe, Scandinavia, the North Atlantic and high latitude regions from Siberia and Mongolia to North America. Study in a department ranked top for research in Scotland.

**MA/BSc Archaeology** (4 yr undergraduate degrees)
**MSc Archaeology/Archaeology of the North** (1 yr PGT)
**MSc Archaeology: Vikings in Focus** (option) (1 yr PGT)
**MSc Osteoarchaeology** (1 yr PGT)
**PhD** in a range of specialisms

**Certificate in Archaeology** (2 yr part time)
