Jucu de Sus
Bioarchaeology Field School

ROMAN-BARBARIAN-MEDIEVAL
Necropolis Excavation & Post-Excavation Analyses

JULY 7TH - AUGUST 11TH, 2019
CLUJ NAPOCA, ROMANIA

Transylvania Bioarchaeology is a registered, non-profit educational organisation.

Academic credit is available at no additional cost with approval from the home institution.

The field school also includes an incredible, one-of-a-kind 5 day field trip through Transylvania exploring the beautiful Transylvanian countryside, archaeological sites, cities, medieval churches, glacial lakes in the Carpathian Mountains, the bear sanctuary, and of course trips to Dracula’s real castle and birthplace!
