

CURRICULUM VITAE

Peter J. Brown

Addresses:

Office Department of Anthropology
Emory University
Atlanta, Georgia 30322
(404) 727-5760
internet: antpjb@emory.edu

Home: 310 Nelson Ferry Road
Decatur, Georgia 30030
(404) 327-2284

Education

A.B. in Sociology and Anthropology, Magna cum Laude 1973, University of Notre Dame, Notre Dame, Indiana.

M.A. in Anthropology, 1976, State University of New York at Stony Brook, Stony Brook, New York.

Ph.D. in Anthropology, with Distinction, 1979, State University of New York at Stony Brook, Stony Brook, New York. Dissertation: "Cultural Adaptations to Endemic Malaria and the Socioeconomic Effects of Malaria Eradication in Sardinia."

Certificate in Applied Epidemiology and Biostatistics, 1982, Centers for Disease Control, Atlanta, Georgia.

Certificate in Global Health Delivery, 2010, Harvard University Medical School, Boston, Massachusetts

Positions Held

1994 - Present Professor, Department of Anthropology, Emory University.
Associate Professor (1986-1994).
Assistant Professor (1978-1986)

1996 - Present Professor, Hubert Department of Global Health, Rollins School of Public Health,
Emory University

2017 Visiting Fulbright Distinguished Scholar, Dipartimento di Scienze Biomediche, Università
di Sassari (Italy)

2009 Visiting Professor, Departments of Global Health and Social Medicine, Harvard School
of Medicine

2003 Visiting Professor, John Cabot University (Rome, Italy)

1991 - 1992 Resident Scholar, School of American Research, Santa Fe, N.M.

1987 - 1988 Visiting Associate Professor, Department of Anthropology, University of California
at Berkeley.

1976 Instructor, Department of Anthropology, Stony Brook University

Administrative Experience

Chair, Department of Anthropology, Emory University, (1997-2000; 1988 -1991);

Acting Chair, Department of Anthropology, Emory University (1982; 1986-1987)

Director, Center for Health, Culture and Society, Emory University (2001- 2010)

Director, Global Health, Culture and Society: an interdisciplinary undergraduate program (2007 – 2015)

Senior Academic Advisor, Emory Global Health Institute, 2006-2011

Editor-in-Chief, *Medical Anthropology* (1990-1999); Associate Editor (2000-2009)

Book Series Co-editor, *Anthropology and Global Public Health: Critical Approaches and Constructive Solutions*, Left Coast Press (2012-2016). *Policy to Practice: Ethnographic Perspectives to Global Health Systems* (2018-present)

Scientific Advisory Board, Malaria Treatment Research, Tropical Disease Research Unit, World Health Organization, 2008-2011

American Anthropological Association

President, General Anthropology Division (2004-2007)

Finance Committee (1985 -1993);

Commission on Unit Structure (1991-1992);

Long-Term Planning Commission (1993-1995);

Long-Term Planning Committee (1996- 1998)

Society for Medical Anthropology

Secretary/Treasurer (1982-1985)

Publications Policy Committee (1983-1984)

Nominations Committee (1986,1989,1993)

Virchow and WHR Rivers Prize committees (2015-2017)

Chair Critical Medical Anthropology and Global Health, SIG (2015-2017)

Society for Applied Anthropology

Margaret Mead Book Prize Committee (2008-2010)

Nominations Committee (2011-2013)

Consortium of Universities for Global Health

Sub-Committee on Masters and Undergraduate Degrees in Global (2018-2020)

Member of 35 University or College committees (1980-present) including:

Tenure and Promotion Committee, (2004-2007);

Co-Chair, Global Health Strategic Theme Committee (2004-2006);

Chair, Curriculum Committee (1994-1995);

Chair, Education Abroad Committee (2001-2002);

Lecture Track Promotion Committee (2017-present)

Search Committees for:

Dean of the School of Public Health, Dean of Emory College, Chair of Department of International Health, Head of Reference Woodruff Library; and approximately 25 faculty members

Search Evaluation Commission, Dipartimento di Scienze Sociali, Università di Trento (2016)

Diverse departmental duties in a new Anthropology department, including: curriculum development; design of major program in honor's program; design of new degree in Biological Anthropology and Human Biology; Honor's program chair; coordinator of speakers series; design

of new graduate program; arranged inter-department faculty appointments. Search committee membership for; College Curriculum Committee; departmental curriculum restructuring; designed and implemented predoctoral cross-training program in Public Health and Graduate School;. Designed and managed the CSHCS pre-doctoral fellows program for cross-training of public health and social science graduate students. Designed interdisciplinary undergraduate minor program in Global Health, Culture and Society.

Departmental External Reviewer: University of Notre Dame; University of South Carolina; University of Texas at San Antonio; Oregon State University

External PhD Examiner: University of Toronto; Hebrew University; University of Capetown

Tenure Reviewer: Harvard School of Medicine; University of Notre Dame; University of North Carolina; University of Abu Dhabi; Agnes Scott College; Northwestern University

Professional Awards

Marion V. Creekmore Award for Internationalization, Emory University, 2013
(university-wide award)

Teaching and Mentoring:

George Cuttino Award for Mentoring. Emory College (2014)

Graduate Mentor Award, Medical Anthropology Student Association, Society for Medical Anthropology, 2012 (national award)

American Anthropological Association /Oxford University Press Award for Contributions to the Undergraduate Teaching of Anthropology, 2012 (national award)

Teacher-Scholar of the Year, presented by the United Methodist Church, Emory University 2007, (university-wide award)

Co-PI, Fogarty International Center, National Institute of Health, Global Health Framework grant (for developing undergraduate GHCS program) 2006-2009

Phi Beta Kappa, Teaching Recognition, 2005, 2009, 2014

Developing an Undergraduate Curriculum in 'Health, Culture, and Community'. University Teaching Fund, 2004

"The Problem of 'Community' in Health-Related Social Science Research and Public Health Practice. Quadrangle Seminar Fund, 2003

Crystal Apple Award. Emory University. 1999.

Hughes Teaching Grant for Science Teaching. Emory University, 1993.

Senior Council Award for Outstanding Teaching and Service to Undergraduate Students, Emory University, 1986.

Emory Williams Distinguished Teaching Award in the Social Sciences, Emory University, 1985.

Lilly Foundation Post-Doctoral Teaching Award Fellowship, Emory University, 1984 -1985.

President's Award for Excellence in Teaching by a Graduate Student. State University of New York at Stony Brook, 1976.

Research:

Fulbright Foundation. Commission of Italy and Fondazione per il Sud. Senior scholar fellowship. Università di Sassari, Dipartimento di Scienze Biomediche. January – June 2017

Co-Investigator with Kelly Alley. National Science Foundation, Rejuvenating the Ganga: Investigating the Potential for Decentralized Institutions, Technologies and Governance to Meet the Wastewater Challenge (for support of J. Barr)

University Research Committee, 2015, P.I. "Return to the Hidden Frontier Ethnicity, Socioeconomic Change and Mental Health in Alto Adige/Südtirol, Italy."

Co-Principal Investigator, Fogarty International Health Center, National Institutes of Health, Global Health Frameworks, 2006-2009

National Science Foundation, Dissertation Improvement Grants (for 18 different graduate students)

American Society for Suicide Prevention, "Development of a Cross-Cultural Database on Suicide" 1998

University Research Committee, "New Sources on the Culture History of Malaria and Abnormal Genes in Sardinia" 1997

Centers for Disease Control, TB Elimination Division, "Tuberculosis Provider Education Project (TBPEP)" 1994-1996. (sub-contract)

National Endowment for the Humanities Fellowship, Resident Scholar Program, School for American Research, Santa Fe, New Mexico, 1990/91. "Sad Heavens and Unhealthy Swamps: the Anthropology of Malaria in Sardinia."

National Institute on Aging, Co-investigator, 1991-1994, "Budd Terrace: Special Care Unit." (co-investigator)

Carter Center Summer Faculty Fellowship, the Hewlett Foundation, 1991.

Research Grant, "Expectations of Malaria Eradication," Rockefeller Archive Center, 1982.

Summer Research Grant, "Demographic Effects of Malaria Eradication," Emory University Research Committee, 1982.

Research Grant, "Malaria, Culture and Biology: Approaches in Medical Anthropology," Emory University Research Committee, 1982.

Dissertation Grant in Aid, Stony Brook Research Foundation, 1976.

Professional Societies

American Anthropological Association
Society for Medical Anthropology
Southern Anthropological Society
Society for Applied Anthropology
General Anthropology Division
American Association of Public Health

Global Health Council
American Association of Physical Anthropologists
Consortium Universities in Global Health

Courses Taught

1. Introduction to Anthropology
2. Methods in Cultural Anthropology
3. Peasant Society and Culture
4. Anthropological Theory
5. Cultural Anthropology
6. Cultures of Europe
7. Native Cultures of North America
8. Disease and Human Behavior
9. Medical Anthropology (undergraduate)
10. Nutritional Anthropology
11. Nutrition, Genetics and Disease Ecology
12. Biological and Cultural Factors in Mental Health and Illness (graduate)
13. The Anthropology of AIDS
14. Culture and Adaptation (graduate)
15. Crisis in American Medicine: An Anthropological Perspective
16. Male Gender and Health
17. Biocultural Seminar: Mental Health and Illness
18. Folk Cultures of Mediterranean Europe
19. Medical Anthropology (graduate)
20. Advanced Medical Anthropology (graduate)
21. Suicide and Suicide Prevention in Cross-Cultural Perspective
22. Emerging Diseases: Biology and Culture
23. Culture, Medicine and Public Health (freshman seminar)
24. Anthropological Perspectives on the Obesity "Epidemic"
25. AIDS in Africa through Film (co-taught)
26. Introduction to Global Health (Foundations of Global Health)
27. Anthropological Perspectives in Global Health (MPH)
28. Core Issues in Global Health: Social and Cultural Aspects of Malaria
29. Core Issues in Global Health Global Health Issues in the South African Context
30. Core Issues in Global Health: Global Health Leadership in Cultural Historical Perspective
31. Core Issues in Global Health: Culture and Global Health
32. Core Issues in Global Health: Eradication Revisited
33. Global Health through Film
34. Global Mental Health: Anthropological Perspectives (graduate)
35. Fondamenti dell' Antropologia Medica dell' Obesita'
36. Graduate Proseminar in Anthropology
37. Masculinities, Mortality and Medical Anthropology (freshman seminar)
38. Masculinities, Mortality and Medical Anthropology (advanced course)
39. Emory's Contributions to Medical Anthropology (Spring 2022)

Publications

Articles and Books

- 1980 The Trial of Sanapia: A Teaching Aid for Medical Anthropology. *Medical Anthropology Newsletter* 11(4):9.
- 1981 Cultural Adaptations to Endemic Malaria in Sardinia. *Medical Anthropology* 5(4):311-339. (reprinted in *Understanding and Applying Anthropology*, 1998; *Understanding and Applying Medical Anthropology* 3e, 2016)

- 2014 Review of *The Obesity Epidemic in North America: Connecting Biology and Culture*. by Anna Bellisari. *American Journal of Human Biology* 26(6) 867
- 2016 Review of *The Viral Network: A Pathography of H1N1 Influenza Pandemic*. By Theresa MacPhail. *American Anthropologist* 118:202-205

Papers Delivered at Professional Meetings

"Sociocultural Adaptations to Endemic Malaria in Traditional Sardinia." 77th Annual Meeting, American Anthropological Association, Los Angeles, California, November 1978. Session, "Culture, Biology, and the Distribution of Disease."

"Malaria Eradication in Sardinia: Socioeconomic and Cultural Effects." Invited seminar to Malaria Division, Bureau of Tropical Medicine, Center for Disease Control, Atlanta, Georgia, September 1979.

"Malaria Eradication and Socioeconomic Change in Sardinia." 78th Annual Meeting, American Anthropological Association, November 1979, Cincinnati, Ohio. Session, "Applying Anthropology to Human Services Programs."

"New Considerations on the Distribution of Thalassemia, Favism, and Malaria in Sardinia." 49th Annual Meeting, American Association of Physical Anthropologists, Niagara Falls, New York, April 1980.

"Malaria in Nuragic, Punic and Roman Sardinia: Some Hypotheses." Third Annual Colloquium on Sardinian Archaeology, Tufts University, Medford, Massachusetts, November 1981.

"Socioeconomic and Demographic Effects of Malaria Eradication: A Comparison of Sardinia and Sri Lanka." 80th Annual Meeting, American Anthropological Association, Los Angeles, California, December 1981. Session, "Anthropology and Disease Control" (organizer of session).

"Interactions between Malaria, Thalassemia, and G-6-PD Deficiency in the Mediterranean Cultural Context: a Biocultural Approach." Invited lecture to the Human Biology Council. Eugene, Oregon, March 1982.

"Cultural and Genetic Adaptations to Malaria: Problems of Comparison." 51st Annual Meeting, American Association of Physical Anthropol. Eugene, Oregon, April 1982.

"Agricultural Development and the Quality of Life: an Anthropological View." Agriculture, Change and Human Values: Multidisciplinary Conference. University of Florida, Gainesville, Florida, October 1982 (with Peggy F. Barlett).

"Disease and Depopulation in Ancient Sardinia: Demographic Effects of the Introduction of Malaria in Sardinia." Invited paper to International Colloquium "Sardinia in the Mediterranean," Tufts University, Medford, Massachusetts, September 1983.

"Cultural Factors in the Social Epidemiology of Obesity: Implications for Chronic Disease Control." 82nd Annual Meeting, American Anthropological Association, Chicago, Illinois, November 1983. Session, "Nutritional Anthropology."

"War and Malaria: Political Pressures for the Evolution of Public Health Technology." Southern Anthropological Society, Atlanta, April 1984. Session, "Culture and Malaria: Approaches to the Interaction of Disease and Human Behavior". (with Andrew Zwick)

"Etiologies and Therapies for Malaria: an Ethnomedical Survey." Southern Anthropological Society, Atlanta, April 1984. Session, "Culture and Malaria: Approaches to the Interaction of Disease and Human Behavior."

"Folk Medicine and Malaria: an Ethnographic Review" Malaria Branch, Division of Parasitic Diseases, Centers for Disease Control. Atlanta, April 1984

"Epidemiologic Transition Theory and Historical Demography in Italy." 83rd annual meeting, American Anthropological Association, Denver Colorado, November 1984, session, "New Approaches to the Anthropology of Italy."

"Microparasites and Macroparasites." 84th annual meeting, American Anthropological Association, Washington, D.C., December 1985, session "Infectious Disease and Culture" (SMA invited symposium) (co-organizer and chair of session)

"Obesity: an Anthropological Perspective." Conference on Human Obesity, New York Academy of Sciences, June 1986. (with Melvin Konner)

"The Evolution of Obesity." Seminar to the Nutrition Branch, Division of Epidemiology, Centers for Disease Control, September 1986.

"Biological and Cultural Predispositions to Obesity: Implications for Womens Health", Conference on Women's Health, Departments of Gynecology and Nurse Midwifery Program, Emory University, February 1987

"From Disease Eradication to Primary Health Care: Cultural Factors in the Evolution of International Health Policy" Southern Anthropological Society, March 1987.

"Malaria in Anthropological Fieldworkers." 86th annual meeting, American Anthropological Association, Chicago, December 1987, Invited session "Fieldwork Hazards: Could We Do More to Prevent Them?"

"Discussion: Culture and Immunization." 86th annual meeting, American Anthropological Association, Chicago, December 1987, Co-organizer of session.

"Biological and Cultural Factors in Human Obesity." Faculty Seminar. University of California at Berkeley, November 1987.

"Microparasites and Macroparasites: Implications for International Health Policy." Medical Anthropology Program, University of California at San Francisco, March 1988.

"Fatness and Fitness in History" 87th annual meeting, American Anthropological Association, Phoenix, November 1988. Session: "Is Bigger Better?"

"Cultural Predispositions to Obesity" Childhood Precursors of Chronic Disease Group, Nutrition Division, Center for Health Promotion, Centers for Disease Control, May 1989.

"Funerals, Food, and the Spread of Cholera" Meetings of the Southern Anthropology Society, symposium "Anthropologies of Disease" (P.J. Brown, organizer) [with Scott Holmberg], April 1990.

"Culture and the Evolution of Obesity." International Congress of Behavioral Medicine (inaugural meeting), Uppsala, Sweden, June 19, 1990.

"Discussion: Medical Anthropology in Europe" 89th annual meeting, American Anthropological Association, November 1990, Washington D.C.

"Ethnicity and Public Health Services: The Special Problems of Migrant Farmworkers." Workshop "An Orientation to the Unique Health Care Needs of Migrant and Seasonal Farmworkers," sponsored by the Migrant Health Program, Georgia State Division of Public Health, and The Georgia Association for Primary Health Care. March 11, 1991 Perry, Georgia.

"Culture and Communication in Clinical Medicine." Grady Hospital Satellite Clinics and Department of Community Medicine, Emory University, May 20, 1991

"Discussion: the Interpretation of Infertility: The Crisis of Childlessness Cross-Culturally." American Anthropological Association, 90th annual meeting, Chicago, November 1991

"Health Consequences of Agricultural Change: Historical Examples from Italy" American Anthropological Association, 90th annual meeting, Chicago, November 1991 (with Elizabeth Whitaker).

"Sad Heavens and Unhealthy Swamps: The Anthropology of Malaria in Sardinia." School of American Research, Santa Fe, New Mexico, December 18, 1991.

"Political Ecology of Malaria." Department of Anthropology, University of Arizona, March 25, 1992.

"Is Fission the Future of Anthropology?" Co-organizer of Exploratory Seminar. School of American Research, Santa Fe, New Mexico, March 1992. (with Norman Yoffee)

"Demographic, Economic and Cultural Effects of a Sudden Improvement in Health: the Sardinian Case." School of American Research, Santa Fe, New Mexico, April 8, 1992

"Culture and the Global Resurgence of Malaria" American Anthropological Association, 91st annual meeting, San Francisco, December 1992.

"Australopithecine Love" Commentary on evolutionary biology papers on emotions. Mellon Conference on the Biology, Culture and Psychology of the Emotions, Emory University, Callaway Gardens, February 1993.

"Anthropological Perspectives on Micronutrient Malnutrition." Behavioral Science Seminar, School of Public Health, Emory University, July 1993.

"Anthropology and Infectious Disease." Epidemiology Seminar, Centers for Disease Control and Prevention, Atlanta, November 1993.

"Cultural Factors in Elevated Cardiovascular Risk in Males (or, Why Do Notre Dame Alumni Have Big Guts?) Department of Anthropology, University of Notre Dame, March, 1994.

"Culture and Malaria Resurgence: A Materialist Model." Vector Biology and Medical Entomology Group, Department of Biology, University of Notre Dame, Notre Dame Indiana, March 1994.

"Malaria, Miseria, and Underpopulation in Sardinia: Testing the "Malaria Blocks Development" Hypothesis." Workshop on "Tropical Development and the Decline and Resurgence of Malaria," a collaborative research project funded by the National Library of Medicine, Emory University, Atlanta GA., March 1994.

"Health Consequences of Agricultural Change: Historical Examples from Italy" American Anthropological Association, 90th annual meeting, Chicago, November 1991 (with Elizabeth Whitaker).

"Contradictions in the Culture of Work and Caregiving Among Nursing Assistants in an Alzheimer's Unit" Meeting of the Society for Applied Anthropology, Cancun, Mexico April 1994 (with D. Reed-Danahay)

"Do Friendships Reduce Symptoms of Alzheimer's Disease?" Meeting of the Society for Applied Anthropology, Cancun, Mexico, April 1994 (with R. Stavisky, B. Gerrard, J. Phillips-Davids, R. Green)

"Applying Anthropological Methods to the Study of an Alzheimer's Special Care Unit." Meeting of the Society for Applied Anthropology, Cancun, Mexico, April 1994 (with R. Stavisky, D. Reed-Danahay, N. Kutner and R.C. Green)

"Anthropological Perspectives on the Health Care Crisis: Medical Education and the Culture of Greed." Meeting of the Southern Anthropology Society, April 1994, Atlanta, GA.

"Discussion: Culture and Tuberculosis" Meeting of the American Anthropological Association, November 1994, Atlanta, Georgia.

"A Qualitative Case-Control Study of Diarrheal Dehydration Deaths in Texas: Methodology and Preliminary Findings" Meetings of the Society for Applied Anthropology, Albuquerque NM, March 1995 (with B Gerrard, R. Glass, H. Cicirello, C. Pinson, and J. Taylor)

"Fieldwork in a Society without Memory: Anthropology of an Alzheimer's Special Care Unit" Five Colleges Medical Anthropology Program, October 1995 Amherst MA

"Cultural and Political Ecological Models of Emergent Infections." 94th annual meeting, American Anthropological Association, Washington D.C. November 1995

"Building Bridges Toward Effective Prevention and Treatment of Tuberculosis in an Underserved African American Community: Atlanta, GA." 94th annual meeting, American Anthropological Association, Washington D.C. November 1995 (with Ron Barrett and Naomi Bock)

"A New Biocultural Model for the Evolution of a Dietary Practice: Alkali Maize Processing and Fungal Detoxification" 94th annual meeting, American Anthropological Association, Washington D.C. November 1995 (with Tadd Schurr and Al Merrill).

"Cultural Factors in the Prevention of Tuberculosis." American Thoracic Society, New Orleans, LA, May 1996. (with Ron Barrett and Naomi Bock).

"Failure-as-Success: Multiple Meanings of Eradication in the Rockefeller Foundation Sardinia Project, 1946-1951." International Network for the History of Malaria, Institut Louis Jeantet D'Histoire de la Medecine, Geneva, Switzerland, for a conference "Strategies Against Malaria: Eradication or Control" April, 1996, Centre des Pensieres, Annecy, France.

"Reconstructing the Ancient History of Malaria in Sardinia: A Biocultural Approach." 1st International Conference of the Anthropology and History of Health and Disease, Genoa, Italy May 29-June 2, 1996.

"Moderators of Observed Agitation in an Alzheimer's Special Care Unit" Gerontological Association of America, November 16, 1996, Washington D.C. (with N. Kutner, R. Green. R. Stavisky)

"Gender and Culture in Overnutrition: An Anthropological View" Nutrition and Activity Branch Division, Chronic Disease Prevention Branch, Centers for Disease Control and Prevention, February 4, 1997.

"Discussion: The Culture of Grant-Getting and the Challenge of Collaboration in TB Prevention" Annual Meeting of the Society for Applied Anthropology. March 1997. Seattle, Washington.

"The Anthropology of Infectious Disease and the Role of Culture in Emergent and Resurgent Diseases" Heidelberg, Germany, April 1997

Anthropological Approaches to Male Gender, Health, and the Mortality Gap. American Anthropological Association, November 1997, Washington DC

Introduction: Cultural Constructions of Maleness and Their Impact on Health. Male Gender and Health: Anthropological Perspectives. Department of Anthropology, Emory University 20-21 March, 1998

Culture and Central Body Fatness in American Men: Cardiovascular Consequences. Male Gender and Health: Anthropological Perspectives. Department of Anthropology, Emory University 20-21 March, 1998

Male Sex, Masculine Gender and Mortality. University of Notre Dame. March 20, 1999.

Social, Cultural and Political Economic Factors in Reemerging Infectious Disease: Expanding the Boundaries of Epidemiological Explanation. American Psychological Association/ centers for Disease Control and Prevention Conference "Public Health in the 21st Century: Behavioral and Social Science Contributions" Atlanta GA May 7-9, 1998

Expanding the Boundaries of Epidemiological Explanation, University of Toronto, January 2000

Anthropological Contributions to Research on the Global Re-Emergence of Malaria: A Discussion. Meetings of the Society for Applied Anthropology and the Society for Medical Anthropology. San Francisco, March 2000

Health, Disease and Inequality in Prehistory. 99th Annual Meeting, American Anthropological Association, San Francisco, CA., Nov.18, 2000. Presidential Invited Session: Struggling for Health in the face of Disease and Danger. (with George Armelagos)

Towards a Cultural History of International Health and Disease Eradication. Institute for Health and Social Justice. Seminar series: Arresting Epidemics: Global Efforts to Fight Diseases of the Poor. Department of Social Medicine. Harvard School of Medicine. Boston. MA. February 15, 2001.

Male Gender, Illusions of Control and the Social Epidemiology of Suicide. 100th Annual meeting, American Anthropological Association, Washington D.C., November 2001. Session: Illness and Illusions of Control.

Ritual and Identity as Keys to the Sustainable Physical Activity: Implications for Chronic Disease Control. Society for Applied Anthropology. March 2002. Atlanta, GA.

"I Thought It Was an Ordinary Fever": Cultural Knowledge and the Care of Children's Malaria in Peri-Urban Tanzania. (poster with Vinay Kamat) Multilateral Initiative on Malaria, Kusumu, Tanzania, November 2002

Ritual (Bi)cycles In Italy and the United States: Cultural Meanings and Health Impacts of Sustained Physical Activity in Older Men. American Anthropological Association, New Orleans, November 20, 2002 (with Elizabeth Whittaker)

Disease Emergence and Microbial Dystopia (comment) American Anthropological Association, New Orleans, November 22, 2002, Session: Microbial Dystopia.

The Current Administrative Structure and Intellectual Paradigms of Medical Anthropology in the United States. Workshop on "Medicine and Social Anthropology", Humboldt Universitadt, Berlin, Germany, January 2003

Health, Culture, and Social Inequalities in Multicultural Atlanta, Georgia, USA: medical anthropological case studies. Medical Anthropology at Home 3, European Society of Medical Anthropology, Medical anthropology, welfare state and political engagement (with L. Liburd, D. Lende, K. Hatfield-Timajchy) Perugia , Italy, September 2003

Evidence, Quantophobia, and Ethnographic Authority: A View from Medical Anthropology. American Anthropological Association , November 20 , 2003. Session: Anthropological Evidence and Its Culture.

Human Conflicts, Policy Conflicts and the Cultural Historical Roots of International Health. American Anthropological Association , November 21 , 2003. Session: "Contagion and Conflict"

Teaching and Learning about Disability: From Concept to Experience. Southern Anthropological Society. Decatur, Georgia. March 2004 (with Kendra Hatfield Timajachy) Session: Autobiography, Experience and the Anthropology of Disability.

The "Obesity Crisis" in the United States: Cultural Factors in the Declaration of an Epidemic and its Public Health Response. American Ethnological Society, April 2004 (with Leandris Liburd)

Social Process and the Negotiation of Global Health Agendas: Hypotheses from *Emerging Illnesses and Society*. Faculty Seminar, Department of Global Health, Rollins School of Public Health, September, 2004

Does "Cultural Competency" Obscure Inequalities in Health? Views from Medical Anthropology. "Rethinking Inequalities and Differences in Medicine" Vanderbilt University, Memphis, April 2005

Social Processes and the Negotiation of Public Health Agendas. Society for Applied Anthropology, Santa Fe, New Mexico, April 2005

Towards a Cultural History of International/Global Health Policy and Practice: An Anthropological Approach. "Global health Histories." History of Medicine Division of the National Library of Medicine, November 2005, Bethesda, Maryland

Song and Sweat, Dance and Trance: Social Embodiment in Healing Rituals. Preconference, "Race and Place: Invoking New Music Identities" Society for Ethnomusicology, Atlanta, Georgia, November 2005

Obesity in India? Towards a Unified Theory of Historical Health Transitions. American Anthropological Association, Washington DC, December 2005

Global Health as Signature Theme for Emory University, Strategic Planning Seminar Series: Emory University February, 2006

Meanings and Methods of "Community": Person, Place, Time and Action , Society for Applied Anthropology; Vancouver, British Columbia, Canada March 2006

Ecology, Culture and Healing: A View of Medical Anthropology, Keynote Address, Division of Pulmonary, Allergy and Critical Care Medicine, Emory University School of Medicine, May 2006

Narrative in HIV/AIDS Communication. International Communications Association, Dresden, Germany, June 2006 (with Kate Winskell)

Young African's Stories as a Unique Source of Insight into Cultural Norms around Gender, Sexuality and Stigma. (poster WEPE0636) XVI International AIDS Conference, Toronto August 2006 (with Kate Winskell, Laura Syster and Daniel Enger)

Adapting Malaria Control Strategies to Local Cultural Conditions: Lessons from Medical Anthropology American Society of Tropical Medicine and Hygiene. November 12-16, 2006 Atlanta, Georgia, (with Debra Prosnitz)

"Who Speaks for the Community?" Representational Conflicts and Community Management in Environmental Health Disputes. American Anthropological Association, San Jose, CA, Nov 2006

How Does Stigma Relate to Cultural Response to Pandemics?" session: "Institutional Responses to the Epidemic" Asian Flus and Avian Influenza Workshop, Harvard University, December 2006 (with R. Barrett)

Social Scientists, Malaria and Global Health: A Cultural Historical Approach. Society for Applied Anthropology. Tampa, Florida March 29, 2007 (with Amy Patterson)

War and Health: Introductory Comments. War and Health Conference, Emory University, February 17, 2007

Quantiphobia, Quantiphilia, Narratives, and Graphs: Epistemologies of Religion and Public Health and the Two Cultures of Evidence. Maps and Mazes: Critical Inquiry at the Intersection of Religion and Health, Emory University November 28, 2007

Ten NPI's for Global Mental Health: A Medical Anthropological Approach. American Anthropological Association, Washington DC November 2007

Ethnographic Observations of Pediatric Clinical Interactions in Mumbai, India: The Role of Culture and Class. American Anthropological Association, Washington DC November 2007 (with Sharon Rikin)

The Objectives of the Global Health Movement are Opposite to the Effects of War. Emory War and Health Conference, February 2, 2008

Three Simultaneous Syndemics in South Africa? Meeting of the Society for Medical Anthropology, Memphis Tennessee, March 28, 2008

Anthropological Studies of the Alzheimer's Special Care Unit, Budd Terrace (1991-1994) (Grand Rounds) VA Hospital Gerontology Unit, Atlanta, August 28, 2008

"Here Come the Rockefeller Men": the Rockefeller International Health Division and National governments, 1913-1951. American Anthropological Association, November 19, 2008, San Francisco

Undergraduate Global Health Programs: Opportunities for Anthropologists. (poster) Society for Applied Anthropology, March 18, 2009, Santa Fe New Mexico

Emory's Global Health Minor as Part of a Liberal Arts Curriculum. Fogarty International Center Frameworks Grantee's Meeting . National Institutes of Health, September 16, 2009

Towards a Cultural History of Malaria Treatment and Control: Institutions, Methods, and Metaphors. Global Health Histories Seminar. World Health Organization, Geneva, Switzerland, September 23, 2009.

What's Up with Applied Medical Anthropology? American Anthropological Association, Philadelphia, December 4, 2009.

From Hmong Spirits and Haitian Mountains to Iron Underpants and BRAC: Using Narratives to Teach Global Health. Society for Applied Anthropology. April 2010, Merida, Mexico

Using Narratives in Teaching Global Health to Young People: Possibilities, Problems and Practice Society for Applied Anthropology. April 2010, Merida, Mexico (with J. Sweeney, J. Mascaro, E. Mendenhall)

Got a Shot of Anthropology for this Global Health Project? American Anthropological Association: New Orleans, LA . November 18, 2010

Towards a Cultural History of Malaria Treatment and Control: Institutions, Methods, and Metaphors. , Division of Parasitic Diseases Seminar: Centers for Disease Control, Atlanta GA 2011, May 2011

The Presence of the Past: Understanding History to Improve the Global Health Movement. Globemed Summit, Evanston, IL. April 2011.

Religion and Global Health in the 21st Century. Faculty Seminar: Religion as a Social Determinant of Health. March 2011,

The Healer in Cross-Cultural Perspective. Determinants of Health. Tbilisi State Medical University, Tbilisi, Republic of Georgia. September 2012

George Armelagos: A Force Against Fission in the Future of Four-Field Anthropology. (poster). Meetings of the American Association of Physical Anthropologists, Knoxville TN, March 2012

Culture, Economy and Infectious Disease: Five Lessons from Medical Anthropology. Global Health and Infectious Disease Conference. School of Medicine, Washington University, April 12, 2013

Introductory Comments: Disease Elimination and Eradication in Theory and Practice: Institute for Developing Nations Conference. The Carter Center, April 23, 2013

The Resurrection of Infectious Disease Eradication and Elimination: Understanding Cultural Processes in Global Health Policy Discourse. Dialoge der Medizinanthropologie, Vienna, Austria. June 2013

Cultural Aspects of Disease Elimination and Eradication: Past and Present. Joint meeting of the Society for Medical Anthropology and the European Association of Medical Anthropology. Terragona, Spain. June 2013

Anthropology in the Clinic: Culture, Inequality and Health Disparities. Meeting of the American Medical Students Association, Morehouse School of Medicine Atlanta, GA October 2013

When Germs Migrate: Historical Epidemics and Contemporary Threats. Distinguished Speakers Series. Columbus State University, Columbus GA, October 24, 2013

Illusions of Control and Free Will in the Etiology of Chronic Disease. American Anthropological Association. Session The Blame Game: Accounting for the Global Pandemic of Noncommunicable Diseases. Chicago, Illinois, November 2013

Missions, Medicine and Religion in the Cultural History of Global Health. American Anthropological Association. Washington DC 2014

Comments on "Bi-disciplinary Identities: Medical Anthropology-Public Health Hybrids and the Importance of Cross-Disciplinary Understandings" American Anthropological Association. Washington DC 2014

"Did I Miss the Meeting When We Decided on Malaria?" Re-imagining Malaria Workshop. London School of Tropical Medicine and Hygiene, London 2014

Steps toward a Constructively Critical Anthropology of Global Health. Moral Economies of Medicine Working Group, University of North Carolina at Chapel Hill, February 20, 2015

Reconstructing the History of Malaria in Sardinia: A Biocultural Approach. "Paleopathology, Anthropology, Archaeology and Malaria in Sardinia" Dipartimento di Scienze Biomediche, Centro Studi Antropologici, Paleopatologici e Storici del Popolo della Sardegna e del Mediterraneo. Sassari/Olbia June 5-6 2015..

Variations in Medical Anthropological Contributions to Malaria Control and Elimination: the Importance of Culture on Both Sides of the Equation. American Society of Tropical Medicine and Hygiene. Session: "The Increasing Relevance of Medical Anthropology for Malaria Elimination". Philadelphia, October 2015

Exaggerations and/or Lies to Funders and Communities: Questions of Global Public Health Ethics in the Context of Eradication/Elimination Programs. Global Health Ethics Workshop. Religion and Global Health Collaborative. Emory University. March 2016

How Community Engagement Can Lead to Partnership or Divorce: Lessons from the Cultural History of Disease Eradication Programs. Community Engagement Forum, Malaria Eliminations Partners Meeting. Bill and Melinda Gates Foundation. April 2016

Health, Wealth, and Social Justice: The Challenges of Global Health. Faber Lecture. Miami University, Oxford, OH. April 2016.

Foundations of an Anthropology of Global Mental Health. Anthropology In/Of Global Mental Health. Emory University, April 2016 (co-organizer of the conference)

A Pedagogical Perspective on the Human Right to Health: Challenges and Opportunities. American Anthropological Association, Minneapolis, MN. November 2016 (with Bisan Sahli).

Anthropology and Global Health. Webinar. Consortium of Universities for Global Health. CUGH Faculty Development Webinar Series: Teaching Global Health through an Interprofessional Lens. December 2016 <https://www.cugh.org/events/cugh-webinar-global-health-and-anthropology>

L'epidemia che arriva: fantascienza oppure la realtà? (The Coming Epidemic: Science Fiction or Reality?). Congresso - Anthropocene fictions: disastri ecologici, contaminazioni, invasioni e altre storie, Università di Studi Sassari, Maggio 2017

Un approccio antropologico all'obesità. (An Anthropological Approach to Obesity) ADE Seminar. Dipartimento di Scienze Biomediche. Università di Sassari, May 2017

La percezione dell'obesità nella cultura occidentale: passato e presente. (The Perception of Obesity in Western Culture: Past and Present.) Convegno - Obesità e cultura della salute. Facoltà di Medicina e Chirurgia - Dipartimento di medicina clinica e sperimentale, Università di Sassari, June 2017

Anthropological Approaches to Understanding Tuberculosis and the Behavior of Patients. Ethiopia-Emory TB Research Training Program Conference. Debre Zeit, Ethiopia, July 2017

The Historical Context of AIDS and HIV Treatment: Comments on *Health on Delivery*. Institute for Health and Social Policy. McGill University, Montreal Canada. October 2017

The Evolution of Global Health. Panelist. Emory Global Health Institute. November 2017

Comments on "Patria, Patrie e Patrimonio". Italian Studies Program. Emory University. November 2017

Return to the Hidden Border: Ethnicity and Sociocultural Change in the Italian Alps. American Anthropological Association. Washington D.C., November 2017 (poster with Kathryn Bouskill)

Steps toward a Constructively Critical Anthropology of Global Health. Society for Applied Anthropology Annual Meeting, Philadelphia, April 2018

Anthropological Perspectives on "Emerging" Infectious Diseases. 7th CIHLMU International Infectious Disease Symposium "Behind Enemy Lines: The Hunt for Future Epidemics", Center for International Health (CIHLMU), Ludwig-Maximilians-Universität, München, Germany, March 2018

Challenges in training and responding to the ethical dilemmas of students involved in anthropological Global Health research. Global Health Fieldwork Ethics Workshop, Agnes Scott College, Decatur GA April 2018

Approaches to Teaching Global Health to Undergraduates. Webinar. Consortium of Universities for Global Health. CUGH Faculty Development Webinar Series: Teaching Global Health through an Interprofessional Lens October 2018

Understanding the Historical Context is Essential for Critical Thinking in Global Health. Workshop on Integrating Experiential Learning in Global Health. Consortium for Universities in Global Health, San Vito, Costa Rica. January 2019

Gender Strain: Male Life History, American Gun Culture and the Social Epidemiology of Violence and Suicide. American Anthropological Association, San Jose, CA November 2018; paper of the same title presented at Yale University, April 2019

Medical Masculinities: Pharmaceuticals and the Aging Male Body. Conference "Thinking with Plasticity: Health, Scientific Innovation, and the Politics of Human Bodies" Van Leer Jerusalem Institute and Ben Gurion University of the Negev, Israel, July 2019

Masculinities, Mortality and Medical Anthropology. American Anthropological Association, Vancouver, Canada, November 2019

Ethnicity, Politics and Social Change in the Italian Alps: Revisiting the Hidden Frontier. Big Tent Anthropology, Emory University. April 2019

The Anthropology of Male Longevity Disadvantage: a Biopsychosocial Perspectives. Society for Medical Anthropology, Havana, Cuba, March 2020

Constructively Critical Medical Anthropology: Two Responsibilities of Anthropologists in NTD World. Association of Social Anthropology, St Andrews2-21 (virtual) Session - "Anthropology at a crossroads: Neglected Tropical Diseases and the future of our discipline".

Anthropology of the Third Epidemiological Transition: Microbial Resistance, Emergent Disease, and Future Failures of Biomedical Technologies . American Anthropological Association Annual Meeting 2021

Discussant: Truth and Reconciliation in the Heat of an Outbreak. American Anthropological Association Annual Meeting 2021
